The Peter and Elizabeth Horowitz Center and Candlelight Concert Society present “An Evening of Seduction in the Arts”

Join us as we explore expressions of sensuality and sexuality in visual and performing art forms. Beginning with a reception in the Horowitz Center Grand Hall, the evening will include a Gallery Talk in The Rouse Company Foundation Gallery as guests enjoy the “Art of Seduction” exhibit. Following the talk, patrons may attend a Performance Talk with Candlelight’s guest artist, HAHN-BIN.

HAHN-BIN, violinist, is a protégé of the legendary Itzhak Perlman. A vibrant young virtuoso, HAHN-BIN has taken the classical music world by storm with performances that inspire conversation. His Performance Talk on January 13 will center on the concepts of sensuality and sexuality in the performing arts. The next evening, Saturday, January 14, 2012, Candlelight Concerts will feature a full concert by HAHN-BIN in the Horowitz Center’s Smith Theatre. “The Art of Seduction” is a multimedia exhibition in The Rouse Company Foundation Gallery from January 12 to March 18, 2012.
